1946

We welcome our returned companions who have escaped the holocaust of war, and
we remember gratefully those who are lost to us. We are going forward to create
new living conditions, a happier philosophy — and the world shall know laughter
again. We dedicate our book to this purpose.

Dedication

to happy living

Here's to Her
Whose name we'll ever
Cherish in our song.

THROUGH THE YEAR . . .

This school year has seen many changes, but none so noticeable as those made to the building itself. When the new edition was completed we thought there would be no more construction done for some time. But let us see what has been added under the direction of the School Board and Mr. Davidson.

The offices for the Administrators in the main building represent the newest in modern construction and furnishings. The light, pleasant rooms are the show place of the school.

The book store, long desired, is located on the first floor west, and adds attractiveness to that side of the hall. Now students can buy all kinds of school supplies in the building. The store, as well as the book rental service, is in charge of Mr. Hartman and his Commercial students.

Miss Widman, after doing her bookkeeping at a table in the Cafeteria for years, has received a fine new office. Additional improvements in her depart-

ment include a new stockroom, a new line of ovens, and additions to the steam tables.

Athletic coaches enjoy new quarters on the southeast side of the first floor—white tiled shower room, a locker room, and a first-aid room with new equipment.

The Annex has a new office in the west end of the lower hall. Our shops have received much valuable equipment and material. And on the school grounds, a real airplane that saw service—a Navy Hellcat.

All vocational subjects have been put under the direction of a coordinator. Students now are given the opportunity of perfecting themselves in these trade subjects.

A school nurse is an additional member of the staff.

The work of passing on students' credentials and evaluating credits has grown more complicated through the return of former students whose studies had been interrupted by the call to arms. Many ex-service men re-entered school to finish their courses and to get their diplomas. Mr. Katterjohn and the school welcome them back.

A dollar, a dollar,

A summer school scholar . . .

For the first time in the school's history the School Administration offered students the opportunity of attending summer school. More than three hundred students enrolled.

If all the time were winter time

With all the games to cheer for,

You'd never find your leaders thus—

That isn't what they're here for.

And pretty maids in a row.

BEL CANTO

 Were type and presses,
 There'd be no need
 For print distresses.

This group wants to learn more about the important art of printing. It meets during the thirty-minute club period in the print shop with Mr. Gehlbach. Since vocational printing has been added to the course, students can fit themselves for a life's job and enter the field of experienced printers. The shop is a busy, fascinating place, for it does printing for the entire school city. Another new feature—girls have joined the printers' ranks.

If all the earth were paper,

FOOTBALL

If Coach Thom had been able to foresee the '45 season when the candidates reported, he probably would have shaved his head to keep from pulling his hair out. After the first scrimmage the Thom men looked like a "good season," especially since there were five lettermen in the backfield to pick from. The line was green, but tough and big. Then that plague, "Old Man Injury," came, and the team was never at its full strength again. The backfield was riddled when Ralph Parr, Nick Rissler and Joe LaDuke were injured. The two former returned later, but LaDuke was out for the season. The line was under par almost the entire time as a result of minor injuries.

NEW ALBANY 0 — F. J. REITZ 22

Our aerial attack, which looked superb in practice, did not turn out so well under game conditions and the Panthers stopped the Bulldogs cold.

NEW ALBANY 1 — SAINT XAVIER 0

New Albany, although beaten by the St. X Tigers, 37-13, received a forfeit. Louis Jensen sparked the Bulldogs with two long runs for touchdowns.

NEW ALBANY 32 — SEYMOUR 13

Jensen and Rimler again sparked the Bulldogs' offense along with the splendid work at quarterback done by Roth. Parr broke into the starting lineup.

NEW ALBANY 21 — MANUAL 60

Our team, although leading at the half, was not able to cope with the Reds' reserve strength, and the tired, battered Bulldogs crumpled in the last frame.

NEW ALBANY 0 — VINCENNES 19

Still crippled from their previous game, the Bulldogs succumbed to the Alices at Boerk Field.

NEW ALBANY 34 — BOONVILLE 6

Sparked by Eddie Roth, the Bulldogs battled the Pioneers on their own field. Our aerial attack was the main threat.

NEW ALBANY 6 — BOSSE 7

Battling in mud several inches deep, the New Albany team was outpointed but not outplayed. This game ended the season of four wins and four losses.

Here's to COACH GORDON RANEY and his splendid team. He took a bunch of boys that at best might win a few games and developed a team that ranked high in the Big Ten and was respected and feared all over the state.

With this marvelous progress in only one year, it's not too much to hope that maybe next year we'll be seeing you in

NEW ALBANY, IND. — SALEM, IND.

High Lights of the Governor's Conference

New Albany was one of five cities in the state where one day conferences were held by the heads of the State Departments. Our school became the State House for April 17. Students and teachers from twenty-three other high schools in Southern Indiana attended.

Governor Gates opens the conference by explaining its purpose to students and visitors gathered in the assembly hall. Seated on stage, left to right—Superintendent Davidson, Lieutenant Governor James, Mr. Irvin Fleischer, member local School Board.

Governor and party arrive at the building for an early "snap."

Mr. Herbert P. Kenney, head of Legislative Bureau, N.A.H.S. alumnus.

Mr. C. T. Malan, State Superintendent of Public Instruction, and Departmental Assistants.
